The Ohio State University Club Powerlifting Team has been invited to support the USA Powerlifting Collegiate National Championships being held from April 11-14 in Atlanta, GA. They will be traveling to Atlanta on April 10 and returning to Columbus, Ohio on April 15. The Club Powerlifting Team has consistently staffed and competed in many of USA Powerlifting's national championships and is well-known among the powerlifting community for their work ethic and character. Their support is key to efficient operations and ensuring the safety of the competitors. Thank you for your flexibility in providing reasonable accommodations to your students so that they can participate in this club sport activity.

Sincerely,

Gregory Page
