

Name: Gage Farmer

- Major: Electrical and Computer Engineering
- Where you were born: London, Ohio
- Where you live: London, Ohio
- Work Background: Math and Computer Science tutor
- Educational Background: 2 years at Capital University studying CS, an Associates of Science from Columbus State, and I guess I'm a third year here at OSU
- Interests/hobbies: Powerlifting, messing with computers, building cars
- Favorite movie or show seen or book read in last 6 months: The Sopranos
- Interesting Facts: My last name is Farmer, I own a 1942 John Deere tractor, and I have a lot of land out in the country, but I do not farm anything.
- **Why are you interested in taking this class?** It will be useful to understand how to effectively sell decisions to management that will benefit both the engineering team and the company.
